The buying and selling of commodities is termed as trade. People who buy and sell things are called traders. Finished products are bought by traders and sold in markets. People who buy and sell large quantities of commodities are called wholesale merchants. People who buy and sell small quantities are called retailers. When there is surplus of commodities, there is a fall in price. When there is deficit in commodities, there is a rise in price. The Government supplies essential commodities like rice, dhal, sugar and oil through fair price shops. The Government has taken several steps to control price rise through the enforcement of laws. When there is a shortage of commodities, the Government imports them from other countries and distributes them through fair price shops.

### MY DOG

Have you seen a little dog anywhere about ?  
A raggy dog, a shaggy dog, who's always looking out  
For some fresh mischief which he thinks he really ought to do

He's very likely to do at this minute, biting someone's shoe.  
If you see that little dog, his tail up in the air,  
A whirly tail, a curly tail, a dog who doesn't care  
For any other dog he meets, not even for himself;  
Then hide your mats, and put your meat upon the top-most shelf.

If you see a little dog barking at the cars,  
A raggy dog, a shaggy dog, with eyes like twinkling stars,  
Just let me know, for though he's bad, as bad as he can be,  
I wouldn't change the dog for all the treasures of the sea !

- E. Lewis
