SECTION A (READING)

Q1. Read the passage carefully and answer the questions given below:

The Colour Green

Green is a beautiful colour! In nature, the grass that you walk on is green and the leaves that you see on trees are usually green. Most of the plants that you see are green too! Frogs are green and many grasshoppers are green too. Turtles have different shades of green.

Did you know that you can make green paint by mixing blue and yellow? Because you can make green by mixing two primary colours, it is called a secondary colour.

Green is also the name used to describe the movement to make products that do not harm the Earth. Green products are often those made from recycled materials or those that are safe to throw out in the trash.

Afternoon on a Hill
I will be the gladdest thing
Under the sun!
I will touch a hundred flowers
And not pick one.
I will look at hills and clouds
With quiet eyes,
Watch the wind bow down the grass,
And the grass rise.
And when lights begin to show Up from the town,
I will mark which must be mine,
And then start down!
Oh! What an Afternoon on a Hill
