PART - I

- 51) **Read the passage given below and answer the questions that follow: 5×2=10**

It took three long years for my coming into existence, after the idea of a new currency was conceived. I was first conceived and named on 1st Jan, 1999, When eleven European countries decided to have a new money form i.e. Euro. My value was determined as per the conversion rate fixed by these countries in terms of their own currencies. On 1st January 2002, I was circulated as currency notes when twelve countries adopted me as their currency. Some countries opposed the idea of using me and initially refused to accept me. But not almost all the European countries have accepted me as a valid currency. My brother Dollar who is in America, my brother Lira residing in Italy and my sister Sterling were quite jealous of me but soon they accepted my existence and started respecting me. I now enjoy a place of pride among all the currencies in the world and almost everyone accepts me freely.
