Question 3
Question 4
Question 5
Question 6
Question 7
Question 8
Question 9
Question 10

Pick out the correct statement regarding **turtle** from the given options.

A. It is an online map

B. It is a Geographical Information System Software.

C. It is a software used to unserstand the time zones

D. It is a software to draw patterns in python language

(11)

Question 2

Question 3

Question 4

Question 5

Question 6

Question 7

Question 8

Question 9

Question 10

Pick out the correct statement related to the operating system **Unix** .

A
It was developed in Bell Laboratories in America

B
It was developed by Richard Stallman.

C
Its Kernel was prepared under GNU Project.

D
Its Kernel was developed by Linus Torvalds.

(12)

Question 2

Question 3

Question 4

Question 5

Question 6

Question 7

Question 8

Question 9

Question 10

While opening the Clock & Map Window in the Sunclock Software,

What would be the value shown in the Adjust Progress Value (G) ?

A
30 days

B
7 days

C
1 day

D
1 minute

(13)
