SECTION - E

51. Read the passage given below and answer the questions that follow :

5x2=10

Speech is a great blessing but it can also be a great curse, for while it helps us to make our intentions and desires known to others, it can also, if we use it carelessly, make our attitude completely misunderstood. A slip of the tongue, the use of an unusual word, or of an ambiguous word, may create an enemy where we had hoped to win a friend. Again different classes of people use different words, and the ordinary speech of an educated man may create the impression to an uneducated listener that he was showing off with his skill: Unwittingly we may use a word which bears a different meaning to our listener from what it does to a man of his own class. Thus speech is not a gift to use lightly without thought, but one which demands careful handling: Only a fool would express himself alike to all kinds and conditions of people and situations.

**Questions :**

- (a) In what way is speech a blessing to mankind ?
- (b) Describe how words could make an enemy out of someone you would like to be a friend ?
- (c) Why is an educated man's speech considered boastful by an uneducated listener ?
