## **Q. No XII. (Summary of the poem I am the Land)**

**36)** In the poem, I am the land the poet depicts the mother earth as the speaker. Mother earth tells that she waits with patience when people claim that the land belongs to them. They occupy the land, plough, plant trees, grow fruits and grass. The children dance and play on the land. The land bears everything without a complaint. The soldiers come with guns fighting for the land. People build fences on the land to divide nations which suffocates like chains in her neck. But mother earth mocks at the people's behavior with a tone of self assertion.

## **Q. No XIII. (Essay on Cleanliness & Hygiene)**

**36)**

All of us live in a neighborhood or surrounding. There is saying that "cleanliness is next to goodness". Swachh Bharat Abhiyan' or 'Clean India Mission' is an initiative led by the Government of India to make India a clean India. This campaign was launched officially by the Government of India on 145th birth anniversary of the great person, Mahatma Gandhi on 2nd of October, 2014. Man is the center of environment pollution. To fulfill men's material comforts he is disturbing the ecological balance. It causes many problems in our day to day life. So, keep the surroundings clean and live happy and healthy lives

### **Importance**

\*The father of nation, Mahatma Gandhi had always dreamed to make India a clean India and always put his hard efforts towards cleanliness in India It helps to play an important role in shaping the personality of every individual.

\*A clean and healthy environment minimizes the stress and provides a positive outlook on the working environment.

\* It decides the destiny of every nations

\*It makes us happy and healthy in our life.

\* This will ensure us not only better lives but also a healthy one and provides us betterment to this society.

\* Greener surroundings look beautiful and also reduce pollution to keep us fit and healthy.

\*It is important as it prevents dangerous diseases like Dengue, typhoid, hepatitis, and other diseases caused by mosquito bite, etc.

\* Adopting a clean environment at homes also helps to save your money as it protects insects and germs entering your homes.

### **Steps to be taken to clean surrounding.**

\* Do not litter on the road or in your neighborhood. Littering causes land, air and water pollution.

\*Try planting trees and plants that will beautify our surroundings as well as keep us healthy Dirtying our surroundings will only cause harm to us..

\* Cleanliness should be initiated in all the offices, schools, societies and colleges. Industries must be set up away from residential areas.

\*Every household generates waste or garbage. Now, waste or garbage should not be thrownany where, and everywhere, but only in trash bins

\*Controlling the use of plastic bags will also help to keep our surroundings clean. One should use recycled and eco-friendly products such as paper or jute bags instead of plastic bags. Throwing of plastic bags by the roadside only makes our surroundings dirty and unhygienic

\*In fact many cleanliness projects and campaigns such as “Save environment”, “Swachh Bharat Abhiyan”, and “Go Green” have been undertaken by the Government.

### **Conclusion**

The Swachh Bharat Abhiyan aims at bringing behavioral changes in people and to motivate health practices, spreading cleanliness awareness among people and strengthening the cleanliness systems in all areas. Thus, on the whole, people are becoming aware of the vital need to have a good and clean environment. The awakening of the general masses in this respect is welcome sign and would make our world a better place to live in.

From,

Kiran,

Government High School,

Koppal.

25<sup>th</sup> June 2020

Dear Krutik

How are you? I am fine here and hope the same for you. This time in my letter I have something interesting to share with you. Last Sunday was 26 January, i.e., Republic Day. Our school took part in the day's celebrations. Our respected MLA sir Shri Shankar Patil Munenekoppa was there with honourable chief guest Mr. Rajkumar Patil. Does it not fill you with excitement? You ask me, and I can describe the whole experience as fantastic.

We practiced throughout December and January. Our drill was called "Bhartiyam". We performed various exercises. Each exercise had eight beats. Our mentor was Mr. Hullur. He is extraordinary and loves perfection. He left no stone unturned to prepare us for the final day. Our dress code was the Saturday uniform with colourful scarves that marked our groups. There were total 30 exercises, which we had to perform with two paper made sunflowers tied on each our hands, bigger than them, though light in weight.

When we entered the stadium, the air was electrifying and it charged us with an unmatched energy. After various performances by different schools, we were called in the field. We settled and then as our mentor beat his drum, we drilled. When the whole drill was over, the whole stadium reverberated with applause. The MLA and the Chief Guest both rose from their seats to applause in appreciation. Our school has given us a CD containing the video of the Bhartiyam. The next time you visit my home, I will show it to you for sure.

Hope to see you soon.

With love

Yours

Kiran
