Ans) Conversation between Ray and the manager.

Ray : Good morning, Sir.

Manager : Good morning, Sir.

Ray : Hope you know about our visit.

Manager : Of course. We are indeed happy to cooperate with you.

Ray : We want to show a tiger in a thick bamboo grove. Can you please provide us with a tiger from Bharat Circus?

Manager : I hope we can. Where will the shooting take place?

Ray : Near Shiuri Birbhoom.

Manager : It's not far from Marcus square, is it?

Ray : Yes. Who will take the tiger for shooting?

Manager : Mr Thozat, our Ringmaster. How long will you need the tiger?

Ray : Perhaps a couple of hours.

Manager : I see. It will be in addition to the time it will take to travel to and from Shiuri.

Ray : Have you talked about this to Mr Thozat?

Manager : Surely. He says he has never let the tiger out of its cage on its own.

Ray : What!

Manager : Don't worry Sir. Be optimistic.

Ray : Hope your ringmaster is an expert.

Manager : Surely. If he is not an expert, we won't send him with you.

Ray : Well. Meanwhile I'll get necessary sanction from the department authorities.

Manager : OK.
