Sir,

Sub: Use of wild animals in film shooting - regarding
In my new film titled Groopy Gyne Bagha Byne I propose
to have a scene with a tiger simply walking about
in the forest with out paying any attention to the
two men wandering in the forest.

I hope to make use of a tiger of the Bharat
circus for this purpose. I am fully aware of the
norms of the Prevention of Cruelty to Animals
Act and assure you the rules will be strictly
adhered to.

I request you to accord necessary sanction
in this regard.

With regards

Yours faithfully

Satyajith Ray
