## INTRODUCTION

Mangalore University was established on September 10, 1980 to cater to the higher educational needs of Dakshina Kannada, Udupi and Kodagu Districts. The University Campus is situated in a picturesque location and is a major centre for advanced academic studies and research.

Although Mangalore University is one of the youngest Universities in the country, it has within its ambit some of the oldest and prestigious institutions of higher learning. There are 25 post graduate departments on the University Campus offering 35 postgraduate courses. Two postgraduate departments at P.G. Centre Cauvery Campus, Madikeri offering two postgraduate courses and three postgraduate courses are offered at University College, Mangalore.

The University Campus at Mangalagangothri is located at a distance of about 20 Km. south-east of the city of Mangalore. The campus is spread over an area of about 333 acres and is on a high elevation overlooking the Arabian Sea on one side and the Western Ghats on the other. Since its establishment, the University has made considerable progress in the field of higher education and research.

The campus has hostel facilities both for men and women. The central facilities on the campus include a well equipped Library, Computer Centre, University Science Instrumentation Centre, Microtron Centre, Health Centre, Student Centre and Yakshagana Kala Kendra, Mangala Auditorium. An English Medium High School, Pre-University College, shopping complex and The University Employees Co-operative Society are located on the Campus. There are well furnished two guest houses on the Campus. A Canteen, Bank, Post Office and other modern communication facilities are also available on the Campus. The Campus also has good facilities for Sports and Games.

Besides sports, short-term programmes for Staff and Students in Yoga are frequently conducted by the University. Lectures, workshops and training programmes are organized under different endowment chairs.

The co-curricular and cultural activities reflecting the multicultural ambience of the region are conducted on the campus. The Prasara unit is engaged in the dissemination of knowledge and a separate cell to cater to the needs of SC and ST students are housed on the Campus.

## **AUTHORITIES OF THE UNIVERSITY**

The Authorities of the University are the Syndicate, the Academic Council, the Finance Committee, the Boards of Studies, the Faculties and the Planning, Monitoring and Evaluation Board. The University is governed by the Karnataka State Universities' Act, 2000.

## **CHOICE BASED CREDIT SYSTEM**

Mangalore University has introduced the Choice Based Credit System (CBCS) (Semester Scheme) from the academic year 2011-12. In the emerging scenario of Internationalization of Indian Higher Education, it is imperative that the Universities should follow this system so that the mobility of students both within the country and across the globe becomes possible. The CBCS places the courses of the University on par with the global academic standards and evaluation strategies.

Under this system, each course in a programme will carry certain number of credits, which represent the weightage of a course. The credits are based on the number of instructional hours per week, generally 1 credit per hour of instruction in theory or 2 hours of practicals or project work or internship per week. Based on these, two -years four -semester post-graduate degree programmes will have 22 to 26 credits per semester and a total of 100 credits per post-graduate degree programme. The final results are declared in terms of the Cumulative Grade Point Average (CGPA) with the corresponding alpha-sign grade, in the eight point grading system.

One choice based course of 4 credits will be offered in the third semester of the programme either within or across the faculties. Students in the III Semester have to compulsorily choose a course/paper of 4 credits from any other PG department / college having PG courses either within or across the faculties.
