### Assignment

1) Prepare the diary entry of Ali.

Ans) Thursday July 26, 2017

What a cruel fate! I was so careless to put Zahra's repaired shoes on the vegetable box. Can't think I lost her shoes. Zahra too was worried. Begged her not to tell anything to Dad. Dad is working hard to support us. Yet he can't find the money for the treatment of mom. It is a great relief that Zahra has agreed to share my sneakers. We will go on like this until we find a way to buy a pair of new shoes. An unforgettable day in my life.

2) Prepare a review of the screenplay.

Ans) 'My sister shoes' is an extract from the Iranian feature film 'Children of Heaven' written and directed by Majid Majidi. The story is about a boy who loses his sister's shoes. The theme of the movie is so universal that children all over the world can enjoy it. The children in the movie love each other and they know that their Dad isn't in a position to buy a new pair of shoes for Zahra. They are also aware of their mother's ill-health. They are afraid to talk about it. They write notes to each other under their parent's noses.

The two children solve their problem as the grown ups do. Zahra will wear Ali's shoes to reach school every morning. When she returns home from school Ali can use them for his school in the afternoon. Everyone who sees the film will love these two children, sure.

We see that Ali's home is a happy home amidst miseries. The members of the family are very lovely. They do not fight for silly matters. Instead they love and respect each other. The film is worth seeing.
