STD - 8
class - 24

1) Explain the circumstances that led to the Indigo revolt?

- Ans) *
- * Indigo was used for dyeing and had high price in the market.
 - * After industrial revolution the demand for indigo increased.
 - * The British industrialists gave the farmers a good amount for the cultivation of indigo.
 - * Farmers planted indigo to pay the heavy land tax.
 - * Farmers were compelled to cultivate indigo at the most fertile agricultural land.
 - * Farmers receive lower price due to the interference of British agents.
 - * When artificial colours were invented, the demand for indigo reduced.
 - * This increased the misery of farmers and they revolted against the British government.

2) What were the Tribal revolts brokeout in different parts of India?

- Ans) *
- * Sandal rebellion
 - * Kol rebellion
 - * Khasi rebellion
 - * Bhil rebellion
 - * Pahariya rebellion
 - * Munda rebellion
 - * Kurichiya revolt in Kerala
