Assignment (Page no. 8)

1) Is greatness an innate trait? ^{Is it} ~~It is~~ acquired by the successful or thrust upon them? Discuss.

Ans) I believe that success is not innate. It is acquired by people with hard work. We have many models before us. Mahatma Gandhi, Abraham Lincoln, Nelson Mandela, Mother Theresa and Dr. A.P.J. Abdul Kalam are a few among them. They rose to great heights through hard work, perseverance and courage. Success was not thrust on them.

2) What are the qualities that make people great?
