Today was an unforgettable day in my life. Today we went to Fide's house. His mother showed her a beautifully patterned basket dyed raffia that his brother had made. She was startled. All she heard about them was how

poor they were, so that it had become impossible for her to see them as anything else but poor.

Fill in the blanks.

1. Adichie ~~co~~ was convinced that books by their very nature had to have foreigners in them.
2. When Adichie read books of Chinua Achebe and Camara Laye she realised that characters like her, girls with skin the color of chocolate, whose kinky hair couldn't form pony tails, could also exist in literature.
3. American and British books stirred her imagination.
4. She belong to a middle class Nigerian family.
5. Her father was a professor
6. Her mother was an administrator.
7. Fide was her house boy.
8. Fide was very poor.
