

Martha has maintained the 'A' grade in her eighth grade too. She is looking forward to winning the scholarship Jacket. She decides to share her dream with her friend. Write the likely letter.

Dear friend,

How are you? Hope you are doing well. I am very glad to say about my dreams. There is a custom carried out by our school every year. The talented eight standard student was awarded the scholarship jacket, who has won top marks in previous years. So, that my sister had won it. So I am so inspired by her. So, I am hardworking for that. I request you to include me on your prayers.

Yours lovingly,

Allee.
