Activity 2

Activity 3

Read the following sentences from the memoir:

Where is the shooting location?

How did the tiger react when the cage was opened?

The words in bold are question words. 'Who', 'When', 'Why', 'Where', 'What', 'Which' and 'How' are question words normally used to ask questions. They are called 'Wh-' questions.

Imagine you have an interview with Mr. Sathyajit Ray. What questions will you ask? Complete the following conversation.

You : **Where did you learn film technology?**

Ray : I learned film technology from Hollywood.

You : **Who helped you there?**

Ray : My friend Alfred Hitchcock helped me there.

You : **Which film attracted you the most?**

Ray : Adventures of Rin Tin Tin attracted me the most.

You : **What was your wish?**

Ray : My wish was to make a film that beat Hollywood.

You : **Why did you take such risk?**

Ray : I took such a risk with tigers to make a wonderful film.

You : **How long... did it take to shoot the scene?**

Ray : It took two days to shoot the scene.

You : **How far was Notun Gram from here?**

Ray : Notun Gram was twenty kilometres away from here.

You : **How often... do you visit Hollywood?**

Ray : I visit Hollywood once in three months.

You : **What kind animals are used in Hollywood films?**

Ray : Well trained animals are used in Hollywood films.

You :

Ray :

Activity 3

Satyajit Ray Bose, 3,
Lake Temple Road. Calcutta.

2.0 March 1959

The Chairman,
Animal Welfare Board of India
New Delhi

Sub: Film shoot with tiger regarding

I'm working on a new film project titled "Goopy Gryne Baagha Byne" for which I need a tiger and this is to seek your permission for the same. As the film requires a few shots in which a tiger is included, I request you to kindly give the approval on behalf of the Animal Welfare Board. I assure the Board that no harmful or abusive steps would be taken by my crew towards the animal as part of the training or shooting. The animal will definitely be treated with due respect.

Hope you would look into the matter very seriously

Thanking You,
Yours sincerely,

Satyajith Ray.
