10.	The poem "song of the rain" by Khalil Gibran attracts the readers by its simplicity and the beauty of imageries depicted in it. Rain is a very common natural phenomenon, but it is brought out in a special treatment, so that it enters the reader's heart rather than the brain. The poem shows the inextricable relationship between Man and Nature. It has the beauty and brevity of a lyric. For the powerful manifestation of emotions and thoughts effectively, the poet uses two major figures of speeches namely metaphor and personification For example dotes silver threads dropped from heaven, I am beautiful pearls.... etc ., personification is also used in the poem very effectively. They are natural then takes me, the hills laugh, the flowers rejoice, when I bow, all things are elated, voice of thunder declares my arrival etc., the rain is manifested as a symbol of love. The poem also has a very beautiful rhyme scheme ab ab .	4
