## *Hajjabba*

*Established a panchayath school at Newpadappa village near Mangalore and provides opportunity for thousands of children to pursue studies. He is an illiterate street vendor selling oranges. Hajjabba is an exemplary personality who tries to provide education get to the whole society which he could not.*

## *Kallen Pokkudan*

*Kallen Pokkudan, born at Pazhayangadi village in Kannur district, was a famous environmentalist. Pokkudan, who had his schooling only up to second standard, devoted his life to the protection of mangroves. Pokkudan, who planted thousands of mangroves became an excellent model in creating environmental awareness.*

## Factors determining civic consciousness

**-Family**

**-Associations**

**-Education**

**-Political system**

**-Social system**

**Explain the role of the family in the promotion of civic consciousness.**

**-We learn to respect the elders and to engage in social service from the primary social institution of family.**

**-Family has an important role in fostering and maintaining sense of responsibility among its members.**

**-Inspiration and encouragement from the family will develop civic Consciousness.**

**-The concept that each individual is for the family and the family is for the society should be developed in the family atmosphere.**

**Explain the role of the Education in the promotion of civic consciousness.**

**-The primary aim of education is to equip the individual to effectively utilise the knowledge gained through the learning of different subjects for the betterment of society.**

**-Education will help to develop value consciousness, tolerance, leadership qualities, scientific temper, etc.**

**-Through education, science and technology can be effectively utilised in a useful manner to the society.**

**-Through value- oriented educational approach we can instill civic consciousness among the people.**

**-Government formulates educational policies with this aim.**

## **Role of the Associations in the promotion of civic consciousness.**

**-There are several political, social, economic and cultural associations in our society.**

**-Such associations many a time equip the individuals to work voluntarily with a service mind.**

**-Several voluntary associations are working in the fields of protection of environment, protection of human rights, charity, etc.**

**-These associations can create awareness among individuals about environment and human rights.**

## **Role of the Media in the promotion of civic consciousness.**

**-Media plays an important role in the formulation of civic consciousness.**

**-Print and electronic media influences the society tremendously.**

**-News and information reach the masses through the media.**

**-Judicious and objective information lead to the formulation of creative ideas.**

**-Media should be independent and impartial. -The information from the media should be evaluated critically.**

**What are the main challenge faced by civic consciousness**

**-The main challenge faced by civic consciousness is the mindset to do anything for the sake of one's own personal interest, by negating public interest.**

## How can we overcome the challenges faced by civic consciousness

- Each one should evaluate his activities critically.
- Should work for one's interest without going against public interest.
- Be the change which you expect from others.
- Equal weight should be given to both rights and duties.
- Individuals should act democratically and tolerably.
