Grocer

Grosser

HANDWRITING

Louise Braille belonged to France. One day, when he was three years old, he was playing with his father's tools. Suddenly, a pointed tool hurt his eyes. He lost his eyesight. He had keen interest in studies. He didnot give up. He kept thinking of different ways to read and write. Finally he found a way- reading by touching and feeling. This way of reading later came to be known as the Braille script.
