- All questions are compulsory.
- The question paper consists 62 questions divided into three Parts A, B and C.
- Part A contains 50 questions of 1 mark each.
- Part B contains 10 questions of 2 marks each.
- Part C contains 2 questions of 5 marks each.

PART-A

Read the following passage and answer the questions given below:

There are a great million fish in the seas, but story is about just one of them, and a very small one at that. Now this little fish had everything in the seas to make him contented, but he was not happy. You will laugh when I tell you why he was not. He was unhappy because he was so very small.” It is very hard to be such a little mite of a fish! He would say, over and over again.” If I were only larger, how much happier I could be. And he said it so many times that I think he believed it. One day he was swimming along with the rest of his school.

1. What do you mean by “Contented”?
