(Hints : Non-Violence – the poorest shall feel that it is their country – no high class and low class of people – communities lives in perfect harmony – no untouchability – Indian culture – inclusiveness – religious amity)

(8)

30. Read the poem given below and write a critical appreciation of it.

Death

Brandi Young

Death is forever

So don't flirt with suicide

Death is painful

Stay away from knives

Death is not for lovers

So don't lie

Death is not for me

So don't even try

Death is clever

So be careful

Death is never fun

Stay away from strangers

Death is never pleasing

So don't get caught up in the hype

Death is never fair

So get use to it

Death is always occurring

So don't ignore it

Death is never what you expected

Sorry but it has to happen

Death is not for you

Please don't give up

Death is forever

Don't forget it
