One day, John was walking to his school. He saw many children riding their bicycles to the school. "When will I get a bicycle?" John thought. Suddenly he heard a cry and he looked back. He saw a boy falling from a bicycle. John ran towards the boy. It was his friend Vicky. He was seriously hurt. John rushed to the nearby shop and called for an ambulance. He took Vicky to the hospital.

Vicky's life was saved only because he was taken to the hospital on time. "You are so kind John, you saved our son", Vicky's father said to John. "We would like to buy you a gift. What do you want child?"
