Paper Boats

Day by day I float my paper boats one by one down the running stream.
In big black letters I write my name on them and the name of the village where I live.
I hope that someone in some strange land will find them and know who I am.
I load my little boats with shiuli flowers from our garden,
And hope that these blooms of the dawn will be carried safely to land in the night.
I launch my paper boats and look up into the sky
And see the little clouds setting their white bulging sails.
I know not what playmate of mine in the sky sends them down the air to race with my boats!
When night comes I bury my face in my arms
And dream that my paper boats float on and on under the midnight stars.
