Activity 1: Dialogue Completion (Page 39)

Complete the conversation between Kafka and the little girl:

Kafka: "Oh dear, why are you crying?"

Little Girl: "My Levi... Levi... my doll..."

Kafka: "I see. You must love her a lot. Don't worry; I'll help you find her."

Little Girl: "I looked everywhere, but she's gone!"

Kafka: "Perhaps she's just hiding somewhere. Let's keep looking together."

Little Girl: "Thank you. I really hope we find her soon."

Kafka: "Even if we don't find her today, I'm sure she's safe somewhere."

Little Girl: "But I want her back so much."

Activity 2: Diary Entry (Page 40)

Write the diary entry of the girl:

*My Diary*  
*Thursday*  
*18th July*

Today I received another letter from Levi! She wrote to me about her adventures in a faraway country. She met new friends and even learned how to dance! I'm really happy for her, but I miss her so much. I hope she comes back soon. I keep waiting every day, looking forward to the next letter. Sometimes, I wish she would return home quickly so we can play together like we used to. I feel lonely without her, but I know she's having fun.\*

Activity 3: Letter Writing (Page 41)

Write a reply to Levi's letter as if you are Irma:

*Dear Levi,*

*I am so happy to hear from you! I loved reading all your letters about your adventures. It sounds like you are having a lot of fun! I really miss you. It's not the same without you at home. I miss playing with you, dressing you up, and talking to you before bed. But I'm glad you are enjoying your trip. Please keep writing to me and tell me all about the places you visit. I hope we can meet again soon!*

*With love,*  
*Irma*
