(m,f,r,p,b)

(m,s,d,b,h)

I am a tiger.

I am a wild animal.

I have have sharp teeth.

I have a long tail.

I can run fast.

I like meat.

Planting a Tree

Planting a tree is a fun activity. First, I dig a hole in the soil. Then, I put the small tree in the hole and cover its roots with dirt. I water the tree to help it grow.

Every day, I check on the tree and give it water. Watching the tree grow taller makes me happy. Planting a tree helps the environment and gives us fresh air.
