1 Reading Comprehension

Read the following passage and answer the questions given below.

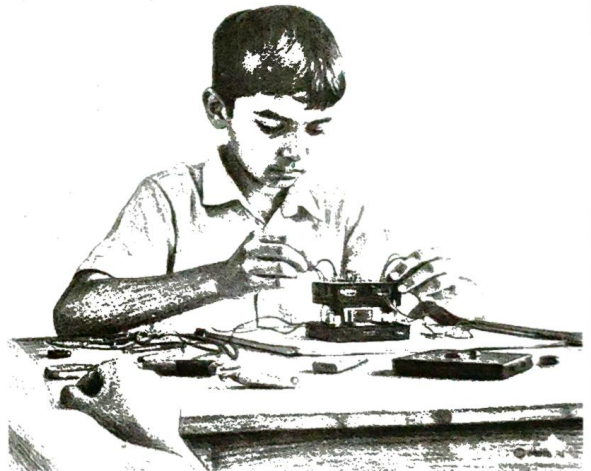

Arjun studying in class 7 was smart and funny, and was loved by everyone. He was good at his studies and always secured good grades. But gradually, things began to change. His marks dropped, he stopped playing outside, and he rarely talked to his parents and friends.

From morning to night, Arjun was engaged in online games and videos in social media. He forgot everything related to his studies. One day, his teacher, Ms. Nandini, noticed that Arjun looked tired and his homeworks were incomplete. She gently asked, "Arjun, what's so special in that mobile phone. Why the whole world seems so boring to you?"

Arjun did not answer. He was embarrassed.

The next day, Ms. Nandini took him to the school's science club. "Try this," she said, giving him a small motor and a few wires. "Build a game of your own with this."

Arjun began to learn what to do with the motor, wires and some tools. Gradually, things changed. His fingers that once tapped the mobile screens now started building tiny robots. His sleepy eyes sparkled again with success and happiness.
