ENGLISH

Read the passage and answer the following questions.

In a small village, a young child noticed that some families did not have enough food. Instead of ignoring the problem, the child decided to help. The child spoke to friends and neighbours and asked them to share a little food from their homes. Soon, rice, vegetables, and fruits were collected.

Every afternoon, the child and friends carried the food together and gave it to the needy families. No one asked for praise or reward. The child felt happy because helping others brought joy and hope to the village. Slowly, the people learned that sharing and teamwork could change lives.
